The following applicable laws and rules are available on the Internet at [www.dopl.utah.gov](http://www.dopl.utah.gov):

- ☐ Division of Occupational & Professional Licensing Act
  - ☐ General Rules of the Division of Occupational & Professional Licensing
  - ☐ Hearing Instrument Specialist Licensing Act
  - ☐ Hearing Instrument Specialist Licensing Act Rules
2. **Current Documents:** Applications, statutes, rules, and forms are occasionally changed. Go to [www.dopl.utah.gov](http://www.dopl.utah.gov) to ensure you have the most recent version of these documents.
  3. **National Certification Examination:** The National Board for Certification in Hearing Instrument Sciences certification examination must be scheduled by appointment. Candidates for the certification examination must have been either a licensed hearing instrument intern within the state or a licensed hearing instrument specialist for at least 2 years to be eligible to sit for the certification examination. For registration and fee information apply directly to the National Board of Certification in Hearing Instrument Sciences, 16880 Middlebelt Road, Suite 3, Livonia, MI 48154 (734) 522-2900
  4. **National Institute for Hearing Instrument Studies Education and Examination Program:** To complete a Utah Hearing Instrument Internship you must complete the National Institute for Hearing instrument studies education and examination program. This program is not given thru PSI. You may order the manual and required textbooks through NIHIS by calling Rose Francis at 734-522-7200, ext. 223 or going online at [www.ihsinfo.org](http://www.ihsinfo.org), click on education, then "store" and you will be able to place the order.
  5. **Utah Hearing Instrument Practical Examination:** Before ending direct supervision, hearing instrument interns must take and pass a practical examination, demonstrating acceptable skills in the area of hearing testing. For registration and fee information apply directly to PSI certification, 3210 E Tropicana Las Vegas, NV 89121 (800) 733-9267, Fax (702) 932-2666 or at [www.psiexams.com](http://www.psiexams.com).
  6. **International Licensing Examination:** Upon completion of the 4,000-hour hearing instrument internship, the hearing instrument intern must take and pass the International Licensing Examination (ILE) as one of the steps to become licensed as a Hearing Instrument Specialist. For registration and fee information apply directly to PSI

certification, 3210 E Tropicana Las Vegas, NV 89121 (800) 733-9267 • Fax (702) 932-2666 or at [www.psiexams.com](http://www.psiexams.com).

7. **Utah Hearing Instrument Specialist Law Examination:** This examination is a 20 question examination that is attached to this application. To pass the examination the applicant must score 75% or better. The applicant must take this examination and include it with the application at the time of applying for licensure.
8. **Examination Fees:** There are separate fees for all examinations. It is the responsibility of the applicant to submit the fees directly to the testing agency.
9. **Completion of Hearing Instrument Intern Supervision:** In accordance with Title 58-46a-302.5, a hearing instrument intern must complete 4,000 hours of supervised practice. The 4,000 hours must be under the direct supervision of a licensed hearing instrument specialist until the intern 1) passes the Utah Hearing Instrument Practical Examination and 2) completes the National Institute for Hearing Instrument Studies Education and Examination Program. Direct Supervision is defined as the supervising licensee is present and available for face-to-face communication with the person being supervised when and where occupational or professional services are being provided.

Upon completion of these two requirements, the “Completion of Direct Supervision” form (*attached to this application*) must be completed and submitted to DOPL along with documentation verifying completion of these two requirements. Once submitted, the intern may then complete the balance of the 4,000 hours under indirect supervision.

10. **License Renewal:** All hearing instrument specialist licenses expire September 30 of every even-numbered year.

Unlike many other states, Utah’s license renewal schedule **is not** based on the licensee’s date of initial licensure. Under Utah’s renewal system, all licenses in each profession expire as a group on the same day every two years. Therefore, the length of a licensee’s first renewal cycle depends on how far into the current renewal cycle initial licensure was obtained. Each renewal cycle thereafter is for a full two years.

Additionally, the fee paid with this application for licensure is an application-processing fee only. It does not include a renewal fee. Each licensee is responsible to renew licensure **PRIOR** to the expiration date shown on the current license. Approximately two months prior to the expiration date shown on the license, renewal information is disseminated to each licensee’s last address of record, as provided to DOPL.

11. **Updating Address Information:** It is your responsibility to maintain a current address with DOPL. If your address is incorrect, you will not receive renewal notices or other correspondence. Address changes can be made online at [www.dopl.utah.gov](http://www.dopl.utah.gov).

12. **Name Change:** If you have been licensed by DOPL under any other name, please submit documentation of your name change (*i.e. copy of a marriage license or divorce decree*).
13. **Ceremonial Certificate of Licensure:** After obtaining your license from DOPL, you may order a Ceremonial Certificate of Licensure, printed on parchment paper with original signatures and an embossed gold seal. Order forms can be obtained at [www.dopl.utah.gov](http://www.dopl.utah.gov).
14. **Acceptable Forms of Payment:** Licensure fees can be paid by check or money order, made payable to “DOPL.” Cash and debit/credit cards (*American Express, MasterCard, and Visa*) are also accepted in person at DOPL’s main office – but not over the telephone.
